In Community This Summer

Summer is here, and with it comes vacations and travelling, trips to visit friends and family, and maybe even time at “the cabin” or time at “the lake” (as though we all visit the same cabin and/or lake). Most of us experience some sort of different rhythm in the summer: a time when we shift the schedule, the demands, the responsibilities and the needs of our lives. For some of us, summer includes relaxation and slowness. For others, summer includes different forms of busyness.

When we were kids, we thought summer was for sun, slowness and fun. As adults, we now know that our parents (and other adults in our lives) made sacrifices and orchestrated the magic of summer for us.

If we get to experience a time of slowing, pausing, of (dare I say it) rest in the summer, then we are lucky enough to experience something the scriptures call sabbath: the idea that if God rested after creating the earth, sea, sky all its creatures and then took time rest, then we get to (and need to) rest, too.

When we rest, when we practice sabbath, God says that it is good!

If your plans and schedule this summer means that you will physically be at St. John's a bit less,

here are a couple of things to consider for living in community as a church family this summer.

First, every Sunday morning, you'll receive a special email from us here at St. John's as a one-stop-shop for all things online worship. This weekly Sunday morning email will include:

- 1) a link to our worship livestream,
- 2) a link to the bulletin so you can not only “watch” worship, you can fully participate! and
- 3) a link to give online. So wherever you might find yourself on a Sunday morning, you can expect this gentle, friendly reminder to worship with your church family as often as you're able.

Second, many churches (including St. John's) experience a bit of a dip in offering during the summer, simply because the average household worships in-person a bit less during the summer. If that's you – we miss you when you're not here and we're delighted when you are! And perhaps you might like to consider making an intentional summer offering. Make a one-time “summer” gift via check or online through Tithe.ly. Making an intentional “summer” offering is a great way to stay connected to your church family over the summer, regardless of your plans.

Last but certainly not least, when

we are at home and when we are away, we are continually connected in prayer! Pray for one another – your church family, members of your Bible study or small group, for children and youth coming to VBS and Summer Stretch, and more - and know that we are holding you in prayer.

May God bless us with sabbath rest and peace, as members of one body in Christ.

Did you know St. John's creates 2 podcasts? All podcast episodes can be found on St. John's

Facebook page and website. Use the QR code for each podcast to access the podcast page, and subscribe to receive new episodes of each!

Altar Echo Text Study Podcast

is our weekly deep-dive conversation between three or four pastors on the upcoming focus reading for Sunday. Episodes are released on Tuesday afternoons, and can be a great way to pique your curiosity about the upcoming Sunday's Scripture reading. Because this podcast includes multiple pastors, you get added content of multiple perspectives, questions, and ideas, many of which don't make the cut for the actual Sunday sermon.

Altar Echo Text Study

Altar Echo Families Podcasts are conversations about faith and parenting in our real lives. How does faith guide our parenting and family values? Pastor Kim, Pastor Nathan and Amanda chat about good questions and practical strategies for raising good humans in this complicated world. Listen to our archives on a variety of parenting topics and email us if there's something you'd like to hear discussed on the podcast! New episodes will resume in the fall.

Everyday Bible Conversations (EBC's)

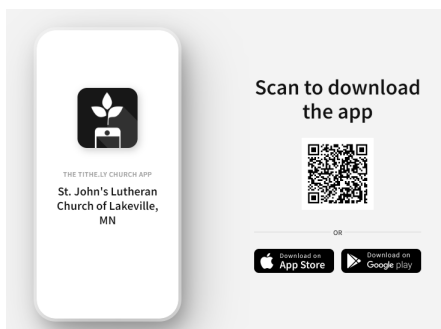

Join us as we find God EVERYWHERE! Every week, we look for God in our Everyday Lives with a video and devotions based on the week's Gospel, wherever we happen to be. We've found God in the hilltops above Lisbon, Portugal, at the American Revolution in Boston, MA, in the desert in California, on the shores of the Cook Inlet in Anchorage, AK, and every place and week in between!

Our weekly messages include a 3-5 minute video (available on St. John's YouTube channel, and through the website and app), as well as a one page devotional that summarizes the reading, asks a few questions, and encourages an action step for the week to come. The videos and devotional are both built so that they can be used alone or together, and while the Bible reading is always encouraged, no advance Bible reading or knowledge is needed to enjoy EBC. EBC emphasizes Jesus' love, God's purpose for us, and how we can relate the week's message to our lives in 2024. EBC is a work of joy and love, driven by the faithful belief that the Bible can be applied to our Everyday Lives all things big and small, all the time, everywhere!

Thank you for all of you who already make EBC a part of their week, and we encourage everyone to enjoy! If you would like to access EBC, but need help, please ask Candy in the church office. And let's go find God!

Download St. John's App

St. John's App is a great way to access information, give online, access weekly EBC and podcast resources, and more.

Tanzania Team: June 9-27

Pastor Nathan and Gabby Hasselmann from St. John's will be travelling to Tanzania with Pastor Ruthie and members of Gustavus Adolphus Lutheran of St. Paul this month. We'd appreciate your prayers as we cross the globe, visit and preach at companion congregations and ministries, and reconnect with our siblings in Christ *in person* for the first time since 2018! We can't wait to go and to come back with pictures, stories, and opportunities to continue partnering together. Thank you for your donations to the dental supply drive.

Worship Helpers—and More Ways to Get Involved

We are so thankful to have many volunteers to serve in worship and in other areas at St. John's. It takes many volunteers to support the worship services. Some of the roles available are: readers, communion assistants, ushers, worship coordinators, clickers and running the sound and livestream during worship. We need helpers in these areas weekly, all year around so you have many opportunities to serve!

Outside of worship times, volunteers are needed to assist as Vacation Bible School teachers and leaders, chaperones for youth trips, serving in-home communion, serving coffee on Sunday mornings, quilting, card making, and the list goes on.

Please consider how you can support worship and ministries at St. John's. Maybe you are willing to try something new or have an idea for a new small group. Please contact Candy in the church office (candy@sjlcl.org) and she will help you find the spot that works for you.

Thrivent Members!

Thank you to our Thrivent members! All of our meals and service projects have been sponsored by Thrivent members this year. Sponsoring a fundraiser or service event with an Action Team \$250.00 gift card helps our youth so much! These cards help our fundraiser meals be more profitable for our youth because we can use these cards to purchase the food, allowing all of the proceeds to go to our youth! They can also be used for many of our service projects, allowing us to serve more generously! If you are a Thrivent member and would like to learn more about this program, please contact amanda@sjlcl.org.

Final day of Affirm bonfires

Opportunities to serve

We would love your help filling up our acolyte and crucifer spots for our Sunday morning worships.

A crucifer (cross bearer) carries the cross into worship at the beginning of worship and carries it out at the end of worship. This is an important part of our worship service at St. John's because bringing the cross in signifies a special and intentional invitation to Christ to come into our worship experience.

An acolyte lights the candles at the beginning of worship on each side of the alter and then dims them at the end of worship. This brings extra light into our sanctuary, bringing special significance to the light of Christ among us. In faith, light can also represent hope, peace, and God's promise. As an acolyte you get to remind all of us that Jesus brings that to us every day.

When volunteering for these positions, you arrive 10 minutes before worship begins (8:20am and 9:50am) and then check in with the worship coordinator at the welcome desk. That person, or Amanda will be there to walk the student through all that they need to know. Jesus empowers us to lead, and these are some of the opportunities your children have to lead us in faith during worship! If your student would like to help us out and fill up these spots, please fill out the sign-up genius link:

St. John's Lutheran Church Mission Endowment Fund Update

The Gratitude and Generosity Team is happy to share that we continue to make progress with the Mission Endowment Fund. This is a very exciting opportunity for members and friends to give financial gifts to establish long-term ministry and mission support in ways that go beyond what was possible in the past. We anticipate completion of all necessary documents and materials this summer, so please stay tuned for more updates, including opportunities to connect and make gifts this fall! In the meantime, if you have questions or are interested in having an initial conversation about making a lifetime or legacy gift to the St. John's Mission Endowment Fund, contact Dan Brown.

Dear St. John's Lutheran,

What a gift it is to continue to use your beautiful venue to host our piano recitals. The joy that this space brings as families gather to celebrate their musicians is something very special. This would not be possible without your support and generosity! This year I have two amazing seniors (twin boys) who have been with me since second grade. Their recitals at St. John's are the only time their grandparents travel to be with their family. This is a very meaningful event for them.

With heartfelt gratitude we thank you, St. John's!
